

At the Regular July 12, 2022 Meeting of the Four County Lions Club, (Memories Charcoal House) The Club was honored by a presentation from L-R Adam Kisiewski (Center) – President of Operation No Person Behind Outdoors Inc - from Libertytown - The Scope of the Program is through a variety of outdoor activities and outings, NPLB builds relationships with those impacted by combat during our nation's armed conflicts, in order to promote positive outcomes and lifelong successes. The program top objective is to help veterans. Adam passionate presentation was well received explaining this Western Maryland Human Service Organization. Cheers to our American Heroes'. On the far left is Four County Lion Club President Jim McNeill and on the far right is Immediate Past President Ann Nettles – The presentation was well received by the membership.

HONORING HEROES

Supporting Heroes

The Washington Post published a story about NPLB's "Handi-Capable" events and staff from Walter Reed Army Medical Center liked what they saw. A short time later, Mark and Cody were approached by hospital staff with hopes of opening these opportunities to wounded veterans recovering at the hospital. Cody and Mark were honored to support these heroes and agreed without hesitation.
